

Steve Ewing

Steve Ewing began his dance career at 12 years old at the well-known Bryant Ballet in Chicago. At the age of 16, Steve was teaching students of his own. After completing his B.A. in Theatre from Millikin University, Steve became a part of the largely successful Broadway smash-hit musical, WICKED, where he performed the role of Chistery for nearly 3 years. Along with performing in the Radio City Christmas Spectacular, his other credits include numerous music videos and industrials with such employers as Cirque Du Soleil, Discover Card, and The Pampered Chef. You can even find Steve, photographed mid-air in a Russian jump, in the Encyclopedia Britannica for Health under Dance.

Steve also creates large-scale productions for corporate events such as Make A Wish Foundation, Nerium International, and many more! Appearing as Dream Curly in MTW's revival of Oklahoma!, Steve's performance got praise in Stage & Screen Review as "the finest performance of the night." He travels around the world teaching and can always be found at the world-renowned Edge Performing Arts Center in Hollywood teaching his weeking classes. He is also the Creative Director and Choreographer for the renowned INSPIRATI Dance Company most recently featured on TruTV's Premier Season of "Fake Off" with TLC's own Chilli! Steve is thrilled to share his love of the performing arts with every student at his first-of-its-kinds in-studio Dance Convention:
